

Kefalonia (Cephalonia) is the largest of the Ionian islands of Greek western coast and for many it is the most interesting. This has something to do with its size, since there are major differences in character between the villages and the terrain of the north and the south.

You need much time to investigate all the physical beauties of the island. Some places, have much of interest, and we suggest you to visit them.

**See our suggestions below:**

### 1. **Melissani Cave**

This is a very beautiful cave - lake and we suggest you to visit it. It is at "Karavomylos" village of Sami.

5. **Makris Gialos Beach** □ □ □ □ □ □ □ □ □

6. **Platis Gialos Beach** □ □ □ □ □ □ □ □ □

7. **Embolis Beach** 1km away from "Villa Romantza" Studios

**The Place**: village with castle.
